Report of Principal and School Improvement Council

A community school with strong parental, business, community and faith-based partnerships, a little less than four hundred students call McCormick Elementary School home. We continue to meet the academic, social, emotional and physical needs of our students on a daily basis. Our school was named a Palmetto Silver Award School for the 2011-2012 school year by the State Department of Education for general performance on the PASS Assessment! This honor was achieved because McCormick Elementary School partners with all stakeholders in order to best support the needs of our students.

Effective teacher collaboration was key in meeting the academic needs of students through standards-based teaching, assessment, analysis of data and instructional changes. Intensive professional development was provided as we implemented the research-based strategies in Explicit Direct instruction as the developmental curriculum approach. This approach allowed students to meet or exceed their target score in reading and math on the MAP assessment from the fall to the spring testing administration. This approach, coupled with differentiated instruction through a Balanced Literacy approach, significantly impacted student achievement in a beneficial way.

McCormick Elementary School implemented a comprehensive system of providing additional academic assistance to students. All students were required to read books on their independent reading level and score at least an 80% or better on all tests taken. Almost 80% of our students achieved the reading goal. Each day in math, students used the SuccessMaker program, which differentiated the content for each student, in order to provide a more targeted and prescriptive approach to ensure mastery of math standards. Two interventionists were also hired to provide additional assistance to students in reading and math using SRA Corrective Reading and Everyday Math. Teachers also provided additional assistance in the regular classroom through small-group instruction and providing students with multiple opportunities for success. Our early morning reading and math intervention program, an increased emphasis on nonfiction writing and our early morning and after school computer assisted instructional program provided for a productive academic year.

The success of McCormick Elementary School is not only the result of a committed faculty and staff, but also an active PTO, the SIC, involved parents, faithful volunteers, and generous business, faith-based and community partners. The PTO supported a field trip to Orlando, Florida for students who met their academic and behavioral goals for the year. Volunteers from the community met twice a week with a group of students to support our character education program as part of our boys club; as a result, discipline and attendance improved. Local churches, businesses and community organizations supported our school with supplies, frequent visits and participation in monthly activities. Parents were active partners in our school efforts by participating in our SIC by serving as chaperones for field trips, assisting with in-class activities and visiting our school frequently.

McCormick Elementary School will continue to set high expectations for students while establishing new and maintaining existing partnerships to best support the needs of our students.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	73.6
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

McCormick Elementary School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☒ Non-Title I School – therefore the designations above are not applicable.
